Sunscreen

Skylar Grey

Baby, it's the Fourth of July
I can make your fireworks fly
Every color up in the sky
It's not only red, white and blue now

We just gettin' started
Yeah, I'm gonna blow your mind
Have a taste of my apple pie
You ain't gonna want just one bite, yeah
We just gettin' started
Yeah, we gonna go all night
Baby, come and find me poolside
I'll be soaking up the sunshine, yeah
You'll know it when you see me

My sunscreen is dripping
Dripping down my legs
And my ice cream is melting
It's getting all over the place
I'm loving this heat
Come kick it with me
Let's turn up this hot summer day
And my sunscreen is dripping, yeah
I'm burning up, babe, yeah (I'm burning up)

(Burning up, burning up)
(I'm burning up, burning up, burning up)
I'm burning up, babe, yeah
(Burning up, burning up)
(I'm burning up, burning up, burning up)
I'm burning up, babe

Yeah, I'm talking sex on the beach
And get stranded on an island with me
I ain't afraid to dive on, now we vibin'
Baby, you gon' slip and slide in (Oh)
Sand between my cheeks, baby

We just gettin' started
Yeah, we gonna go all night
Baby, come and find me poolside
I'll be soaking up the sunshine

My sunscreen is dripping
Dripping down my legs
And my ice cream is melting
It's getting all over the place
I'm loving this heat
Come kick it with me
Let's turn up this hot summer day
And my sunscreen is dripping, yeah
I'm burning up, babe (I'm burning up)

Hey, baby, I'm on fire
It's pouring out of me
The smoke drifting to the sky
Boy, make it rain on me, babe

My sunscreen is dripping (Yeah, it's dripping, oh)
Dripping down my legs (Dripping all over me)
And my ice cream is melting (Oh-oh-oh)
It's getting all over the place (I'm loving it)
I'm loving this heat (Oh)
Come kick it with me (Yeah)
Let's turn up this hot summer day (Let's turn it up babe)
And my sunscreen is dripping, yeah (Yeah-yeah)
I'm burning up, babe, yeah (I'm burning up)

(Burning up, burning up)
(I'm burning up, burning up, burning up)
I'm burning up, babe, yeah
(Burning up, burning up)
(I'm burning up, burning up, burning up)
I'm burning up, babe, yeah
