

The Devil Made Me Do It

Skylar Grey

See you at the courthouse tomorrow
Gonna be some dark days to follow
Gonna tell me what I know, I know
Fucking right, I steal, beg and borrow
Onomatopoeia my sorrow
Click, click, bang, boom, oh

There's blood on my pillow and I know it was evil
But I'm down on my knees, begging you to forgive me for the things that I do
ne 'cause

The devil made me do it
Yeah, don't put that shit on me
I said the devil made me do it
I got a 45 in the bible
The devil made me do it
When the good Lord let me on down
The devil made me do it, ah
The devil made me do it, yeah

Washing down the pain with a benzo
Tryna fit a body in my Enzo
The devil made me do it
When the pieces of my broken heart are sharper than a shard of glass
Nothing I can do to save you, sorry but it's all out of my hands

That's a sign
And I got your bitch on demon time
Clout chaser, she won't top me off till I go live
Motorbike shorty, that's my vibe
Do it in a section, fuck the line, yeah
6-6-6, I'm out in London, call 'em Austin Powers umm
Then we fly them [?] in here out from Broward umm
That head educated, probably went to Howard umm
Contemplating millions off of cauliflower
Hmmm after hours
Give me demon, demon till I sleep, sleep
Devil made me do it

I'm down on my knees, begging you to forgive me for the things that I done '
cause (Fuck, fuck, fuck, fuck, fuck)

The devil made me do it (Yeah)
Yeah, don't put that shit on me (Don't put that shit on me, don't put that s
hit on me)
I said the devil made me do it
I got a 45 in the bible (Yeah, yeah, yeah, yeah)
The devil made me do it
When the good Lord let me on down
The devil made me do it, ah
The devil made me do it, yeah

Washing down the pain with a benzo
Tryna fit a body in my Enzo
The devil made me do it
