

# Walking On Fire

Skylar Grey

Love is like a flame  
That burns out of control  
It feels so warm, oh  
But it's a dangerous thing

It fills me up, it's in my blood  
I can't remember who I was  
I'd kill for us, I'd self-destruct  
Oh, oh

I'm walking on fire  
I'm walking on fire  
I'm dancing in the smoke  
Running over coals  
Look into my eyes, baby  
I can make 'em glow  
I'm walking on fire  
I'm walking on fire, ooh

Love can't be contained  
Watch it as it grows  
Hearts will explode  
It's all-consuming

It fills me up, it's in my blood  
I can't remember who I was  
I'd kill for us, I'd self-destruct  
Oh, oh

I'm walking on fire  
I'm walking on fire  
I'm dancing in the smoke  
Running over coals  
Look into my eyes, baby  
I can make 'em glow  
I'm walking on fire  
I'm walking on fire, ooh

I'm walking on fire
