

Convenient

Skylar Stecker

You don't hear a word that I've been saying
You just wanna hear me say your name, and
Far too long to deal with this behavior
I don't wanna hate ya, no I don't wanna hate ya

You don't hesitate
Let me get this straight
Think I stay up late
Thinking about you, no
You don't care to try
I ain't spending time
Waiting on the side
Thinking, thinking about you

How convenient baby
You keep coming round but only when you need me
I ain't got the patience
You're too high, you're too high maintenance
Alright
How convenient baby, yeah, alright
How convenient baby, yeah

Don't take this as no misunderstanding
Realize you've been taken this for granted
I was feeling you but this is overdue
I don't wanna hate ya, no, I don't wanna hate ya

You don't hesitate
Let me get this straight
Think I stay up late
Thinking about you, no
You don't care to try
I ain't spending time
Waiting on the side
Thinking, thinking about you

How convenient baby
You keep coming round but only when you need me
I ain't got the patience
You're too high, you're too high maintenance

You don't hesitate
Let me get this straight
Think I stay up late
Thinking about you, no
You don't care to try
I ain't spending time
Waiting on the side
Thinking, thinking about you

How convenient baby
You keep coming round but only when you need me
I ain't got the patience
You're too high, you're too high maintenance
Alright
How convenient baby, yeah, alright
How convenient baby, yeah
