

# Hey

Skylar Stecker

I swear I've never felt this way about someone  
The one who doesn't know my name you're that someone  
And all I think about is what I can do to get your attention  
Yeah

And I just want to have ya  
All to my self  
Where we can be together  
With no one else

Tell me why I  
Whatever I do no matter how hard I try  
I can't get to you  
It's like I'm underground and you're in the sky  
And maybe I should give up  
Cause you don't even seem to care anyway  
Whoa or maybe I'll just say hey

I get this feeling all the time  
Again and again (again and again)  
I'd like to be more than friends  
Times ten

But right when I go up to you  
I back down saying what was I thinking  
What was I thinking  
Was I thinking yeah

And I just want to have ya  
All to myself (to myself)  
Where we can be together  
With no one else yeah

Tell me why I  
Whatever I do no matter how hard I try  
I can't get to you  
It's like I'm underground and you're in the sky  
And maybe I should give up  
Cause you don't even seem to care anyway  
Whoa or maybe I'll just say hey

I need to let go and be brave  
Let go and be brave  
Cause times just ticking away  
Yeah  
It's now or never  
I don't wanna wait  
So I'll say hey

Tell me why I  
Whatever I do no matter how hard I try  
I can't get to you  
It's like I'm underground and you're in the sky  
And maybe I should give up  
Cause you don't even seem to care anyway  
Whoa yeah

Tell me why I  
Whatever I do no matter how hard I try  
I can't get to you  
It's like I'm underground and you're in the sky (in the sky)  
And maybe I should give up  
Cause you don't even seem to care anyway  
Whoa or maybe I'll just say hey

Or maybe I'll just say hey
