

Let It Show

Skylar Stecker

I got a thing for ya
I'm thinking you should know
Wishing I could be with ya
But I keep it to myself uh, oh

See, I play the wall
But you're on my mind
I think about you all the time
I got a thing for ya
But I don't let it show no, no

Cause lately I've been dreaming about you
And I'm thinking bout you
Boy, I'm thinking bout you
So tell me, boy
What do I have to do?
Nooooooo

Cause I think we could be something
We got this good thing, baby
I know
I wish that I could love ya
I don't ever let
I don't ever let it show

Cause I think we could be something
We got this good thing, baby
I know
I wish that I could love ya
I don't ever let
I don't ever let it show

I don't ever let
I don't ever let it show
Show, show, show, show, show, show
Show, show, show, show, show, show

Wanna be with ya
Don't wanna let you go
Thinking we should be honest
And be a little more uh, oh

See, I play the wall
But you're on my mind
I wish that I could make you mine
I wanna be with ya
But I don't let it show no, no
Cause lately I've been dreaming about you

And I'm thinking bout you, boy
I'm thinking bout you
So tell me, boy
What do I have to do?
Nooooooo

Cause I think we could be something
We got this good thing, baby

I know
I wish that I could love ya
I don't ever let
I don't ever let it show

Cause I think we could be something
We got this good thing, baby
I know
I wish that I could love ya
I don't ever let
I don't ever let it show

Show, show, show, show, show, show
I don't ever let it show
Show, show, show, show, show, show
I don't ever let
I don't ever let it show

Never let it show
Never let it show
Noooooooo

Cause I think we could be something
We got this good thing, baby
I know
I wish that I could love ya
I don't ever let
I don't ever let it show

Cause I think we could be something
We got this good thing, baby
I know
I wish that I could love ya
I don't ever let
I don't ever let it show
