

# Redemption

Skylar Stecker

Lately I've been feeling  
(Somethin' gotta change and I'm)  
Tempted to get even  
(Find someone to blame but I)  
Don't gotta go that low  
Keepin' it, keepin' it in control  
Got me at my weakest, oh no

I, coming back I'm gonna take what's  
Mine, nobody else gonna save my  
Life, seeing so clear with my own two eyes  
My eyes

I'm not broken  
I'm still goin'  
Goin' up, up, up, up, up, up  
I'll show em  
I'm not broken  
I'm still goin'  
Oh, didn't you know I'll be my own redemption

No manipulation  
(I ain't gonna buy it again)  
So over all the faking  
(Searchin' for the real thing)  
I ain't got the energy  
Why you be, why you be testing me  
Now I'm outta patience

I, coming back I'm gonna take what's  
Mine, nobody else gonna save my  
Life, seeing so clear with my own two eyes  
My eyes

I'm not broken  
I'm still goin'  
Goin' up, up, up, up, up, up  
I'll show em  
I'm not broken  
I'm still goin'  
Oh, didn't you know I'll be my own redemption

I'll be, I'll be my own redemption  
My own redemption  
I'll be, I'll be my own redemption  
Redemption

I'm not broken  
I'm still goin'  
Goin' up, up, up, up, up, up  
I'll show em  
I'm not broken  
I'm still goin'  
Oh, didn't you know I'll be my own redemption
