Skylar Stecker

Imma let you
In the ocean
See if you
Can stick around
When it come to
Deep emotion
Is you man enough
To drown
I can see the way it's going
Don't know if you're in or out
Now your little ego's showing
Should I even fuck around

With you
With you
I fuck with
You
But do
You know
You got
A lot
To prove

Baby boy what's in it for me
I give it to you
I know what you want
You know I got it
Give me what you got underneath
I give it to you
I know what you want
You know I got it
Reciprocity
All up and in and out
These sheets
Is what I need
That's all that I need oh
Baby boy what's in it for me
If I give it to you
I know what you want
You know I got it

Point my finger at it
I'm the type to highlight
What you need edit
Fix it cause said it
Running out of credit
Pay me lovin on site
If you don't, I dead it

With you
With you
I fuck with
You
But do
You know
You got
A lot

To prove

Baby boy what's in it for me
I give it to you
I know what you want
You know I got it
Give me what you got underneath
I give it to you
I know what you want
You know I got it
Reciprocity
All up and in and out
These sheets
Is what I need
That's all that I need oh
Baby boy what's in it for me
If I give it to you
I know what you want
You know I got it
