

# Princess Of The Snow

Skylark

Thoughts are crying out from your mind tonight

But you keep on getting out of my eyes

Tears are rolling down on your face tonight

But you keep on burning my soul inside  
'cause you keep on burning my spirit and  
I'm yearning that time don't get over my home

Sun is crossing, the light of day

But you will not give us our chance to pray

Planets are fighting in the Milky Way

But you're trying to take my soul away  
'cause you're trying to break these Evil Chains  
to take us in the World of the Snow.

... The Princess...

Princess of the Snow

Please show me the way tonight

please guide our soul tonight

Princess of the Snow

You keep on burning my soul is yearning

I won't forget your world

(Princess of the Snow)

My time is ending would you mind lend me

the power of your world

Walking in the land where the Princess was born

I will survive running straight to the North

I'm feeling the witch coming knock on my door (I'm on my way)

jump on my ship to the Land of the Snow

Symposium

Have you seen the princess?

We killed the princess

What have you done?

So now I own the world!

She'll never die!

... The Princess...

Princess of the Snow

My time is ending would you mind lend me

the power of your world

(Princess of the Snow)

You keep on burning my soul is yearning

I won't forget your world

(Princess of the Snow)

My time is ending would you mind lend me

the power of your world

The Princess of the Snow!
