SKYND

Let him be fat or lean, let him be fat or lean
Tomorrow I will kill him, tomorrow I will
Let him be fat or lean, let him be fat or lean
Tomorrow I will cook him, tomorrow I will

Let him be fat or lean, let him be fat or lean
Tomorrow I will kill him, tomorrow I will
Let him be fat or lean, let him be fat or lean
Tomorrow I will cook him, tomorrow I will

Table set for tonight
Waited for this all my life
Candle lights shining bright
Pull the cork, pour the red wine

One big stake on my plate
Potatoes and sprouts on the side
I savor my first bite
Satisfied my appetite

If you're between 18 and 25
I want you to stay with me, I want you to stay with me
If it's your desire to end your life
I want you to stay with me, I want you to stay with me

Let him be fat or lean, let him be fat or lean
Tomorrow I will kill him, tomorrow I will
Let him be fat or lean, let him be fat or lean
Tomorrow I will cook him, tomorrow I will

Pain killers, cough syrup
Sleeping pills, bottle of schnapps
Sink your teeth, chew it up
Take a knife, make a clean cut

Roast the flesh, medium heat
Add garlic, pepper, and salt
Meat is too tough to eat
So I'll feed it to the dog

Waiting for him to bleed out
Reading Star Trek for 3 hours
Finally kiss him once, and kill him then slaughter him
Like a piece of – like a piece of livestock

If you're between 18 and 25
I want you to stay with me, I want you to stay with me
If it's your desire to end your life
I want you to stay with me, I want you to stay with me

Let him be fat or lean, let him be fat or lean
Tomorrow I will kill him, tomorrow I will
Let him be fat or lean, let him be fat or lean
Tomorrow I will cook him, tomorrow I will

(Let him be fat or lean, let him be fat or lean
Tomorrow I will kill him, tomorrow I will

Let him be fat or lean, let him be fat or lean
Tomorrow I will cook him, tomorrow I will)

Slaughtered, decapitated
Gutted, cut in half
Scalded, washed

Knuckles, bacon
Portion by portion, cator, you're a part of me now
