

It's cold in here  
I wanna get out  
I'm slowly dying could it be I'm in my watery grave

Black water  
No quarter  
Now I'm stuck in here, screaming  
Cause my times running out

4 2 6 2 10 5 1  
I told you not to play my game  
4 2 6 2 10 5 1  
Now you're

Gone!

I'm scratching off my nails  
Keep on kicking the walls  
Seems I'm never gonna find my way out

Started off as a game  
But now I'm floating in a coffin  
As my breath is running out

4 2 6 2 10 5 1  
I told you not to play my game  
4 2 6 2 10 5 1  
Now you're

Gone!
