

Heaven's Gate

SKYND

House, money, fame, job
Spouse, body, brain, war
Lost, future, voice, strive
Trust, rapture, choice, life

Treat your family
Love your enemy
But transcendency
Ain't morality
This site entity
It's proficiency
In the sky we'll see
Opportunity

Lie's just one more step
Leave all that you know
Awaken your minds
So you can breathe into the truth
Prepare all but your flesh
Cling on to the Lord
Ascend to the stars
So you can be where you belong

Follow me
To kingdom come
Just do it, do it
Follow me
It's time to run
Just do it, do it

Do re mi fa so la Ti
Don't you know it's time to go
Do re mi fa so la Ti
Don't you know it's time to go

We need neutering
We need barbering
Big in tutoring
What our bodies bring
And our next of kin
All that's vested in
Our coat of skin
Being killed of sin

Hale-Bopp and a ride
Saucer waiting out side
Follow the call of the great gate in the sky
Fresh cut and no dry
Tucked in on the sides
Lay down your heads for C/1995

Lie's just one more step
Leave all that you know
Awaken your minds
So you can breathe into the truth
Prepare all but your flesh
Cling on to the Lord

Ascend to the stars
So you can be where you belong

Follow me
To the rising sun
To Kingdom come
Just do it, do it
Follow me
It's time to run
To Kingdom come
Just do it, do it

Do re mi fa so la Ti
Don't you know it's time to go
Do re mi fa so la Ti
Don't you know it's time to go
