

John Wayne Gacy

SKYND

Oh no, dad, it's okay, dad
You're just boozing, I'm just cruising, we can hold back
C'mon, dad, it's okay, dad
We're just bruising, it's amusing, we can go back

Oh, such a pretty face, made to deliver
Exit through the crawlspace, or into the river
Took the charges for the ultimate thrill
Kentucky Fried Chicken and kill

Timothy, who? John, Darrell, Randall, Sam, Michael, Billy
Jimmy, who? Ricky, someone, Kenneth, who? Michael, Willy
Greg, a boy, and Jon and John, Matthew, a boy, Rob and John
Russell, and Robert, and Tommy, and David, and William, Timothy, Frankie, and James
Robert? Who else?
Who, who, who?
Maybe you!

33 boys, Pogo the Clown is back
Oh, 33 toys, ol' John is back on track
All 33 pled, I've had my fun at last
Now everyone is dead, and you can kiss my ass

Funeral parlour decoy, nothing to rack up
Little Gacy, fat boy, deep under the makeup
Man of the year, man of fear, man of will
Join the Jolly Joker Club and kill

Timothy, who? John, Darrell, Randall, Sam, Michael, Billy
Jimmy, who? Ricky, someone, Kenneth, who? Michael, Willy
Greg, a boy, and Jon and John, Matthew, a boy, Rob and John
Russell, and Robert, and Tommy, and David, and William, Timothy, Frankie, and James

Robert? Who else?
Who, who, who?
Maybe you!

33 boys, Pogo the Clown is back
Oh, 33 toys, ol' John is back on track
All 33 pled, I've had my fun at last
Now everyone is dead, and you can kiss my ass

Cloth and chloroform, leaving nothing much to find
Road signs flying by in a twilight state of mind
Norwood Park's dry, the rest for you guys to find
33 and more in the crawlspace of my mind...

33 boys, Pogo the Clown is back
Oh, 33 toys, ol' John is back on track
All 33 pled, I've had my fun at last
Now everyone is dead, and you can kiss my ass

Timothy, who? John, Darrell, Randall, Sam, Michael, Billy
Jimmy, who? Ricky, someone, Kenneth, who? Michael, Willy
Greg, a boy, and Jon and John, Matthew, a boy, Rob and John

Russell, and Robert, and Tommy, and David, and William, Timothy, Frankie, and James

33 boys

Oh, 33 toys
