SKYND

I want to cut you in the dark
Taste your bleeding heart
I hate you (Hate you)
I wanna hang you from my door
Bleed you to the core
I love you (I love you)

I can never get enough of... you
Deep inside you feel the same way... too

I will always love you
I will always love you

I want to taste you on my lips
Tear you into bits
I hate you (Hate you)
I want to get under your skin
Tear you limb by limb
I love you (I love you)

I can never get enough of... you
Deep inside you feel the same way... too

I will always love you
I will always love you

Hang you up, upside down
Skin you dry, chew you down
Hang you up, upside down
Skin you dry, chew you down

Hang you up (in the name of love)
Upside down (in the name of love)
Skin you dry (in the name of love)
Chew you down in the name of love

Hang you up (in the name of love)
Upside down (in the name of love)
Skin you dry (in the name of love)
Chew you down in the name of love
