

# Come Back

Skyzoo

Shorty why?

I feel like, if I take a couple words  
You know, throw some words at you  
You can get a better understanding of where I'm Coming from  
And if not, I mean, I can't say that I ain't try  
Listen  
It go, It go

Baby girl, let me break it down to you  
So you can't say I was playing round with you  
You a good catch for me in the long term  
But as far as right now Ma', I'm gon' swerve  
And real talk, you don't need to be dipped on  
So I rather pull over the V before we get lost  
You a hot one girl, believe I'm a fan  
But I don't want you running round like you got a man  
I'm only 23, with a lot of life in front of me  
And there's a lot of types I want to see  
And I can't give you my all  
When part of me still want to answer my calls  
You get it?  
You speed racing, and I'm trying to walk  
I'm winded  
Before I cheat I rather turn it off, and end it  
And matter of fact, you can rewind that  
It's more like a pause, call it an intermission

We still young baby girl  
I want to be sure you the one, baby girl  
So I got to move, and if this is true  
Then I'mma come back Mami  
I'mma come back Mami  
We still young baby girl  
I want to be sure you the one, baby girl  
So I got to move, and if this is true  
Then I'mma come back Mami  
I'mma come back Mami

I got one named Donna, push a little 06' Honda  
Swallow me whole, and buy me Prada's  
One named Britney  
And all she want to do is come through  
Do the one-two, blow a little sticky  
Monica is cornbread fed, with stallion legs  
Slim waist, rock deep cut Vicki's  
And China with the caramel skin and the slanted eyes  
Cherry red lips, taste like banana pie  
Got a round the way girl named Daphne  
She don't even wait for the crib, we do the back seat  
Then I got Jackie, I went and introduced her to Daphne  
And now they favorite words is tag-team  
Then there's Tamika, she on that scream shit  
And cooking turkey bacon, hash browns and Cheese grits  
Then there's Samantha, Jennifer, Sasha  
Stephanie, Crystal, Erica, and Yolanda  
You see?

We still young baby girl  
I want to be sure you the one, baby girl  
So I got to move, and if this is true  
Then I'mma come back Mami  
I'mma come back Mami  
We still young baby girl  
I want to be sure you the one, baby girl  
So I got to move, and if this is true  
Then I'mma come back Mami  
I'mma come back Mami
