

Men Like Us

Skyzoo

Well, okay
We've been in a war before
Now, the only ones who can make a difference are men like us...
We've been trained in the fire
Yeah, it's a shitty business, but we're experts
We're gonna use all the tools of the trade, we're gonna drive t
hose bastards out...
A good businessman stands behind his product
Aw man!
Ayy, I don't want it, man!
You can't do this, God!
I don't want it, man!
Ayy, you can't do this!
Stop!
