

# Wonderfully I

Skyzoo

My fan base is distributors  
Loiters with millions  
In a corner sense so that's a hundred thou minimum  
And if all it is is all of them then my definitives  
As good as my closet and all the kicks I can't fit in them  
See me now  
Haulin' In  
We be out  
Pouring in  
Turned Bed-Stuy into Beaverton, Oregon  
And rap be actually more with the accordance in  
Accordingly  
I was calling leads bring the corners in  
Stans in the stands  
They pray I don't bring the chorus in  
Cause me on 16 is pause-stop-pause again  
King of the rewinds  
Literally tree high  
Sweeping up the rug shit is littered with' weave lines

The life of missed calls where each one is a cab away  
My video models don't be models  
Those is Saturdays  
Top floor drop offs  
Room is Ace of Spade'd out  
Good Italian women  
I'm Pauly D to these J Woww's  
So may y'all  
Remember I don't do this out of choice  
I don't choose to be better than the dudes that y'all anoint  
This is God given  
The bar risen from bar lifting  
By the stall with' it  
On cross lights with' the bartenders  
If I part with' that means  
Money in long vision  
Turn authentic  
My Spur got Tony Park syndrome  
Bond with' us  
They say I got the city in the talks again  
The upscale vandal of the Walkman's  
Wonderfully I

Okay  
Wonderfully I  
Been on what I been on  
Ain't no wonderin' with mine  
I'm on what I been on  
It's like I'm crushin' up the lines  
And servin' em' with mirrors  
You love what I supply  
Baby I

Okay  
Wonderfully I  
Been on what I been on  
Ain't no wonderin' with mine

I'm on what I been on  
It's like I'm crushin' up the lines  
And soften em' with mirrors  
You love what I supply  
Baby I
