

Bunsen Burner

SL

Sebz Beats, baby
Burnsen burner, get the room heated
Your niggas don't mean it
Purging time, they weren't outside scheming
My team's been there
Ugly nights, left him on his porch bleeding, ey
Wash it, clean it, ey, look, yeah

Light it, burn it
Burnsen burner, get the room heated (Go)
Your niggas don't mean it (Nah)
Purging time, they weren't outside scheming
My team's been there (Done it)
Ugly nights, left him on his porch bleeding
Wash it, clean it, wash it, dry it, wash it, bleach it
Where's your demons? (Nah)
None of them around, find it so convenient (VIP)
Daily doses (Daily)
Everyday ride, tryna stop a boy breathing
Nigga best leave it (Yeah)
Nigga best leave if it's trouble you're seeking
Tell him best leave it, ey
Been a whole week till my dargies seen a plate, and he wanna eat today
Nobody move one inch or it all goes wrong
I ain't tryna fool no one, but I'm with a dangerous bunch, and we all roll strong
Please help me roll my blunt, right hand busy with my blade, tryna paint his top
Might pull an awful stunt, might make your phone line jump, then I'm taking off
Ey, Mata, what's goin'?

Let me roll my blunt so I can never stop
Ah-ah, where my demons at, huh?
Raf Simmons, na sobie mam piniądz, w sobie mam skarb
Hah, back when I was five
Nosilem zaślepkę na oko I rysowałem dużo map
Back when I was five, to mieszkalem w UK, gdzie jeździ się wspaniale (Gdzie jeździ się wspaniale)
Teraz wracam tutaj, no bo polski złoty ma się byle jak
Wszystko byle jak, nie mam na to ochoty, ale wróć jak tak (Wróć jak tak)
Lecz teraz zimuje tam, gdzie wieje wiatr
Bo go potrzebuję, by płynąć pod wiatr, ej, oh
