He said that's ammi
That is ammi, but my amnes' way more potent (Way more potent)
I wanna fly away for a moment
I wanna say I dropped four bricks in the ocean (In the ocean)
Kit-Kit-Kats forever phoning (Phoning)
They take a toke, and start zoning (Start zoning)
They look at me, eyes Chinese
And say "bring me in on your potion" (Your potion)
Like, I was in demon bits
With some demon shanks, billing demon spliffs (Demon spliffs)
And I was with a demon bitch
Doing demon shit on a demon dick (Demon dick)
Like manna move evil wid it
Throw a pack over there, I wouldn't leave it with him (I wouldn't)
I'm tryna be peaceful with it
Got a couple problems, but I'm dealing with it
Mum said I've lost the plot, at least I never lost my crop
Last chick she pissed me off, yeah she love bitch a lot (Bitch a lot)
But she does the job, I bruk it out then send it off
I don't trust a lot, there's more than what they're letting on
Nuff times I've had the cops force me to park it off (Park it off)
Nuff times I've seen a don, I do my dirt and laugh it off (Ha)
Half hearted dons, finish what you started off
Hella chitter-chatter when I back it you'll be darting off (Cuttin')
Mum said "Back by 10: 00, there's somewhere we need to go" (We need to go)
It's 9: 30 and I'm on the m-way, I doubt I'ma make it home (Pissed)
Oh no, here we go, but I'm busy bagging my cro
Gotta go to my drum, but I got buds
So let me just have a quick smoke (Smoke)
Manna need a bitch in my bedsheets
Fling her the twi, tell her build something hefty (Something hefty)
Dead front, but the back came deadly
But don't watch that a nigga still done plenty (He-heh)
I knew this goon, way before you
Now I hear this yout' wan' get me (Wan' get me)
Asked bro "should I do what I do?"
He said "roll thru", bro shoulda never let me (Never)

I tell a bitch be gentle
I'm tryna get the Willy Wonka Special (Special)
I know I ain't no gentleman
Pull up crash, and I'm wetting 'em (Wet 'em)
Dip, splash when I'm getting 'em
I'm Valley Bopping with elegance (Aight)
Ching, chang, I'm a veteran
Your bitch bad? That's irrelevant (Irrelevant)

Like hello, you can call me S (You can call me S)
You've probably heard of me
I got the pengest peng on the ends (Ah, yeah)
I probably slang it out to your friends (Ah, yeah)
I put in mad work for that bread (Bread)
Even civilians nearly got kweffed
Weren't tryna break chip off the rassclart blem
Stepped in with the fluffiest food

Your nigga came in with his pack on mute (Quiet)
Tell him put your hands in the air
Put your packs in the air, let me rob that food (Let me take it)
Fresh home, I warned my goon
Bout time man do up a few good moves (Ah, yeah)
And you don't even know that yout'
Don't watch that, me and him soon hit booth
Custard darling, just passed it
Asked bro how could he be so foolish (Foolish)
But the money keep calling
You got a bag of Kwengs but your stack's appalling (Shh)
No love for an informant, I still swim deep in the opp boy waters
No love for an informant, I still swim deep in the opp boy waters (The opp b
oy waters)
