Getting Better

It's getting better all the time I used to get mad at my school The teachers who taught me weren't cool You're holding me down, turning me round Filling me up with your rules

I've got to admit it's getting better A little better all the time It can't get no worse I have to admit it's getting better, it's getting better Since you've been mine

Me used to be a angry young man Me hiding me head in the sand You gave me the word, I finally heard I'm doing the best that I can

I've got to admit it's getting better A little better all the time (It can't get no worse) I have to admit its getting better, it's getting better Since you've been mine (Getting so much better all the time)

It's getting better all the time Better It's getting better all the time Better Better Better

I used to be cruel to my woman I beat her and kept her apart from the things that she loved Man, I was mean but I'm changing my scene And I'm doing the best that I can

I admit it's getting better A little better all the time (It can't get no worse) Yes, I admit it's getting better, it's getting better Since you've been mine (Getting so much better all the time)

It's getting better all the time Better Better Better It's getting better all the time Better Better Better Getting so much better all the time
