

Running To You

SLANDER

We were never done, (ah-ah)
You were always the one
Never done, (ah-ah)
But too close to the sun

I keep running to you, keep running to you, but I
So, I keep running to you, keep running to you, and I
And I keep running to you, keep running to you, and oh

(So, I keep running to you, keep running to you)

(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me-, let me-, let me-, let me-)
(Let me-, let me-, let me-, let me-)
(Let-, let-, let-, let-...)
Let me see you move

Fu-fu-fuck that beat
Fu-fu-fu-fu-fuck that beat
Fu-fu-fu-fu-fuck that beat
(Let me see you move, move)

Trust me, baby
Turn the light on
Trust me, baby
Oh
I can feel it
Calling out at all
Hold me, baby

I keep running to you, keep running to you, but I
So, I keep running to you, keep running to you, and I
And I keep running to you, keep running to you, and oh

(So, I keep running to you, keep running to you)

(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me see you-)
(Let me-, let me-, let me-, let me-)
(Let me-, let me-, let me-, let me-)
(Let-, let-, let-, let-...)
Let me see you move, move

Fu-fu-fuck that beat

Fu-fu-fu-fu-fuck that beat
(Let me see you move, move)
