

So Long

SLANDER

Baby, now I'm saying so long

You've been catching feels
I've been catching flights
Maybe we can chill
When I get the time?
Told you I'mma call
I ain't mean to lie
The writing on the wall
If we read between the lines

I'm in the fast lane (fast lane)
In my rear view mirror I see our old life
I've been in the fast lane (fast lane)
Now I'm blinded by the glow of the lights

Baby, now I'm saying so long, so long
Got tonight, by sunlight I'm gone, I'm gone (I'm gone)
But I remember my life
Ooh, so long, so long
But I remember my life
Ooh, so long, so long
I'm saying so long

Gave me a second chance (second chance)
Baby, hear me out (hear me out)
I'll call you up from France (hello)
When I'm touching down
Tell you what I saw (all about it)
When I get the time
The writing on the wall
If we read between the lines

I'm in the fast lane (fast lane)
In my rear view mirror I see our old life
I've been in the fast lane (fast lane)
Now I'm blinded by the glow of the lights

Baby, now I'm saying so long, so long
Got tonight, by sunlight I'm gone, I'm gone (I'm gone)
But I remember my life
Ooh, so long, so long
But I remember my life
Ooh, so long, so long
I'm saying so long

So long, so long, so long, so long, so long
Now, baby, I'm gone, I'm gone, I'm gone, I'm gone, I'm gone
I'm saying so long
