

# You Don't Even Know Me

SLANDER

Don't even know, don't even know  
Don't even know, don't even know  
Don't even know, don't even know  
Don't even know

Do you still have those nightmares, baby?  
Where you see me  
You still tell yourself you hate me  
Or believe it lately?

I know I'm still the villain in your story  
You look me in the eyes like you don't even know me (You don't even know me)

Did it kill you, did it kill you?  
But I was there too, I was there too  
You look me in the eyes like you don't even know me (You don't even know me)  
You don't even know me

Still don't know  
(I do I do)  
I still don't know  
(I do I do)  
I still don't know  
(I do I do)  
I still don't know

You don't even know me

Still don't know  
(I do I do)  
I still don't know  
(I do I do)  
Still don't know  
(I do I do)  
I still don't know  
You don't even know me  
Still don't know  
(I do I do)  
I still don't know  
(I do I do)  
Still don't know  
(I do I do)  
I still don't know  
You don't even know me

Maybe I can't learn my lesson  
The same intentions  
I can't find that same connection  
Do you remember?

I know I'm still the villain in your story  
You look me in the eyes like you don't even know me (You don't even know me)  
Did it kill you, did it kill you?  
But I was there too, I was there too  
You look me in the eyes like you don't even know me (You don't even know me)  
You don't even know me

Don't even know, don't even know  
Don't even know, don't even know  
Don't even know, don't even know  
Don't even know  
You don't even know

You don't even know, You don't even know  
You don't even know, You don't even know  
You don't even know, You don't even know  
You don't even know, You don't even know

You don't even know me  
Go!

Still don't know me

I still don't know  
I do I do

Still don't know me

Oh I still don't know  
You don't even know me

Don't even know, don't even know  
Don't even know, don't even know  
Don't even know, don't even know  
Don't even know don't even know  
Don't even know, don't even know  
Don't even know, don't even know  
Don't even know, don't even know  
Don't even know don't even know
