

Caricature

Slank

I feel good I feel so happy
I got you beside me
But I'm useless to you babe
And our future drawin' sketchin'

Caricature Caricature
It's not real It's not real
Caricature Caricature
It's fake It's fake
Caricature Caricature
It's not real It's not real
Caricature Caricature
It's not funny

You feel good
You're grateful glad
When I am being your maid
But you force me to be like that
And our future drawin' sketchin'
