

Funkin Politik

Slank

Vibrations of the music rhythm
It so power, it so full power
It so full
Makes you groovin', moving & dancing
Then became intrance

Funkin' politix don't like the Eriks
Funkin' politix don't like the Eriks
Funkin' politix politikus tikus mampus
Funkin' politix politikus tikus mampus
Funkin' politix si tikus takut sama cipus

Don't look to the Governments sights
There's too much hypocrite fights
Don't see the Governments Eyes
You better look into my Arts
You better look into my Arts

Vibrations of the music rhythm
It so power, it so full power
It so full
Makes you groovin', moving & dancing
Then became intrance

Funkin' politix don't like the Eriks
Funkin' politix don't like the Eriks
Funkin' politix don't like the Eriks
Funkin' politix don't like the Eriks
Funkin' politix politikus tikus mampus
Funkin' politix politikus tikus mampus
Funkin' politix politikus tikus mampus
Funkin' politix si tikus takut sama cipus
