

Teddy Bear

Slank

I'm just your teddy bear
Never say I swear
Don't you dare 'cause I don't care
My love is every where

I'm just your tedy bear
Never say I swear
Don't you dare 'cause I don't care
You know love was unfair

When you scare you know I'm there
Cause I'm your teddy bear

If you treat me right and hold me tight
And I hope you sleep well

I'm your teddy bear
I'm just your teddy bear
I'm your teddy bear
Sugar... I'm your teddy bear
Honey honey baby I'm your teddy bear
Never say I swear
I don't care
My love is everywhere
