

Evil Clown

Slapshock

Love to hate you love to hate
He never cares you made me sit without a chair
My tongue is burning but still I lie
Oh when you smile oh yeah I cry, I cry

Cut me out [4x]

I'm proud of you my little boy
That's what he speaks I'm not your toy
I'm soul searching and still I'm lost
I'm dying now without a cause

Cut me out play me out
You don't even know what this is all about
Think I'm feeling better I never say never
You always say a-a from here to Virginia
(You're sick) Verbally abuse me?
I just kill the pain I'm sure you never see me fall
Me crawl you burn my soul I crawl
Clown crawl clown evil

Love to hate you love to hate
He never cares you made me sit without a chair
My tongue is burning but still I lie
Oh when you smile oh yeah I cry, I cry

Cut me out play me out
You don't even know what this is all about
Think I'm feeling better I never say never
You always say a-a from here to Virginia
(You're sick) Verbally abuse me?
I just kill the pain I'm sure you never see me fall
Me crawl you burn my soul I crawl
Clown crawl clown evil
Clown crawl clown evil clown
Find your way, find your way
Crawl find your way, find your way

Evil clown
Come step da ground
Evil clown
I don't want your sound
Come on hate me, come on hate me
No love, no love
Cause you cut me out
Cut me out
