

Heartless

Slapshock

IT'S TIME TO DIE
I'LL CRUCIFY

It's gonna take some time
Before we remain unbroken
Can't push back rewind
Can't take back all the things I've spoken

We can kill or be killed
In this world full of fear
But we must survive together
SAVE MY SOUL
My mistake your mistake
All the rules that we break
Nothing is getting better
SPARE MY SOUL

Heartless
Broken in two
My heart stops
By following you
'Till the day I die
Even if I'm crucified

Heartless
Broken in two
My heart stops
By following you
'Till the day I die
Even if I'm crucified

CRUCIFY
IT'S TIME TO DIE

I've written my regrets
But I never had the chance to send it
I apologize
Cause I don't have the heart to face it

We can kill or be killed
In this world full of fear
But we must survive together
SAVE MY SOUL
My mistake your mistake
All the rules that we break
Nothing is getting better
SPARE MY SOUL

Heartless
Broken in two
My heart stops
By following you
'Till the day I die
Even if I'm crucified

Heartless
Broken in two

My heart stops
By following you
'Till the day I die
Even if I'm crucified

CRUCIFY
IT'S TIME TO DIE

I must learn how to live my life
I must learn how to stay alive
I must learn how to follow the light
I must learn how to make it bright

I must learn how to live my life
I must learn how to stay alive
I must learn how to follow the light
I must learn how to make it bright

I must learn how to live my life
I must learn how to stay alive
I must learn how to follow the light
I must learn how to make it bright

Stay alive
We gonna make it, make it bright
We gonna stay alive
We gonna make it bright
We gonna stay alive
I must learn how to live my life
I must learn how to stay alive
Stay alive
