

You're the star  
That always  
Shines on me  
Outside my door  
You're the one  
That I can see  
I love the way  
Oh yes, the way  
You comfort me  
So take me  
To a place where  
I need to see

Gave you my love  
And I don't know  
If I can be saved  
Feelin' so down  
It's so hard  
Don't want you  
Fadin' away

My skar  
I feel you in my bones  
You're killing me inside  
You're always on my mind  
Yeah I'll be here tonight  
I want to be like you  
The way you made it through  
I'm screaming this for you  
I feel you down inside

No one  
Can take this away from me  
I see your face  
And I'll be here to stay  
I look up  
And I think about those days  
Well those days are gone  
They're gone too far away
