

## Sleepless Blvd.

Slapshock

Its been 2 hours and 6 days  
Since you made my world a cold place  
With nothing to see  
And nothing to hear  
I walk alone with the hope inside me  
And the world refused to guide me

With nothing to feel  
And this was once in

It breaks me to put you under  
It kills me to stay forever  
I don't need much time now  
To see what you can do to me.
