

Guilty as sin You did me in Says that this is the way Your view  
across Grave you will toss Your life and mine Spike in your ar  
m Just adds to your charm Or so you do think The trend you got  
caught in For sure will do you in [Bloody] razor in the sink Yo  
ur singular focus Tears the world apart Communication breakdown  
From your head to your heart Overzealous focus You will break  
before you bend Explosives strapped to your chest Your mission'  
s at its end Easy as pie Easy as lies Coming from your head Say  
what you will I've had my fill Caught too many times Your sing  
ular focus Tears the world apart Communication breakdown From y  
our head to your heart Overzealous focus You will break before  
you bend Explosives strapped to your chest Your mission's at it  
s end Such a bitter pill Such a test of wills A razor to your w  
rist Have you had your fill? Guilty without appeal And that's t  
he way you feel Says that this is the way And I've just got to  
deal Your singular focus Tears the world apart Communication br  
eakdown From your head to your heart Overzealous focus You will  
break before you bend Explosives strapped to your chest Your m  
ission's at its end
