

Tear Down the Walls

Snapshot

I'm tired of all the dirty looks For all my life it's all I've known
And I've got the scars to prove it But I know I'm not alone...
Not alone Has anyone got an answer? Tear down the walls!
Has anyone got a clue? Tear down the walls! I've tried to be the
nice guy sometimes And I just got f**ked over again and again
So I wrap myself in this blanket And resign myself to loneliness
Can anyone find the way out? Tear down the walls! Can anyone
get through? Tear down the walls! Has anyone got an answer? Tear
down the walls! Has anyone got a clue? Tear down the walls!
There's no point in fighting When you know you're going to lose
But there's no way to keep you down for the count If that's the
path you choose Can anyone find the way out? Tear down the walls!
Can anyone get through? Tear down the walls! Has anyone got
an answer? Tear down the walls! Has anyone got a clue? Tear down
the walls!
