Tried to get it right Tried to get it right But I made the same mistake I made the same mistake Tried to get it right Tried to get it right But I made the same mistake I made the same mistake Everything I say And everything I do Comes out wrong in the end Wrong in the end Everything I say And everything I do Comes out wrong in the end Wrong in the end I don't know what to do Cause I can't get over you

Tried to get it right Tried to get it right But I made the same mistake I made the same mistake Tried to get it right Tried to get it right But I made the same mistake I made the same mistake Everything I say And everything I do Comes out wrong in the end Wrong in the end Everything I say And everything I do Comes out wrong in the end Wrong in the end I don't know what to do Cause I can't get over you

I don't know what to do Cause I can't get over you
