

Wasted Time

Slapshot

It's only music get a f**king clue Who gives a f**k if someone
picks on you What the f**k are all you fighting for? This isn't
what I make this music for 20 years of my life down the drain
If it wasn't so much fun I'd go insane I made some music I made
some friends If I had the time I'd do it all again I could hav
e had my kids at 21 But then I couldn't have had so much fun Ev
ery time I think I might be done All this wasted time was so mu
ch fun What's the point of growing old With nothing to show for
or stories told And here I am still hanging tough I've got my
memories when times get rough
