

They don't know what it takes to make a man break down.
The don't know what it's like to survive without your friends a
nd family around,
They tell you that you're lazy and won't get off your ass to fi
nd a job
So you deserve that shitty situation that you got.
You always told me to believe in myself but i believe in you, d
on't give up.
I wanna hear you say it is gonna be alright and everythings gon
na be ok.
