

# April Fool

Slash

I'm not your clown  
I'm not your dog  
Won't be your whipping post  
Been kicked around  
The laughingstock  
Punchline is getting old

Before I turn the page  
Before I walk away  
I wanted you to know

You had me shaking, had me wrapped around your finger  
I was your April Fool  
But look who's laughing, in the end it's safe to say  
I guess the joke's on you  
I guess the joke's on you

Look where it's gone  
The tables turned  
A twist of fate reveals  
A tragic flaw  
A lesson learned  
Last laugh is mine it seems

There's nothing left to say  
I finally found my place  
I wanted you to know

You had me shaking, had me wrapped around your finger  
I was your April Fool  
But look who's laughing, in the end it's safe to say  
I guess the joke's on you

You had me shaking, had me wrapped around your finger  
But now I know the truth  
But look who's laughing, in the end it's safe to say  
I guess the joke's on  
The joke's on you

This time  
Life's cruel punch line  
Is more than you can take  
Ah, what a shame

You had me shaking, had me wrapped around your finger  
I was your April Fool  
But look who's laughing, in the end it's safe to say  
I guess the joke's, the joke's on you

You had me shaking, had me wrapped around your finger  
But now I know the truth  
But look who's laughing, in the end it's safe to say  
I guess the joke's on you  
I guess the joke's on you  
Oh, joke's on you
