

# Doctor Alibi

Slash

I went to see the doctor  
He said you're pretty sick  
You got some real bad habits  
You'd better stop right quick

I said doctor that's real bad news  
Don't know what I'm gonna do

Doctor  
There's nothin' wrong with me  
Doctor doctor  
Can't you see  
Doctor  
I ain't gonna die  
Just write me an alibi

I went to see a shaman  
He said you'll be alright  
Just keep doin' what you love  
Every single night

I said that's what I need to hear  
Took away my childish fears

Doctor  
You're a stand up guy  
Doctor doctor  
My oh my  
Doctor  
You're the one for me  
That's the mojo that I need

Don't you know that I feel alright  
Doin' what I do  
I ain't gonna tow the line  
Not till' I turn blue  
All I got is one short life  
That's what people say  
And I ain't gonna waste a second  
Doin' what you say

I won't be the one you like  
I won't be the boy next door  
I won't be the chosen one  
That's not what I'm here for  
I don't like the way you are  
I despise what you hold dear  
Don't you try to make me change  
I'll haunt you for a thousand years

Doctor  
Don't you talk that way  
Doctor  
Don't you mess my day  
Doctor  
Stay away from me  
Sick is what I'd rather be

Doctor  
Doctor doctor death  
Doctor  
Doctor out of breath  
Doctor  
I ain't gonna die  
Just write me an alibi
