

# Patience

Slash

One, two, one, two, three, four

Shed a tear 'cause I'm missing you  
I still alright to smile  
Girl, I think about you every day now  
Was a time when I wasn't sure?  
But you set my mind at easy  
There is no doubt you're in my heart now

Said, woman, take it slow  
And it'll work itself out fine  
All we need is just a little patience  
Said, sugar, make it slow  
And we'll come together fine  
All we need is just a little patience

I sit here on the stairs  
'Cause I'd rather be alone  
If I can't have you right now I'll wait, dear  
Sometimes I get so tense  
But I can't speed up the time  
But you know, love, there's one more thing to consider

Said, woman, take it slow  
And things will be just fine  
You and I'll just use a little patience  
Said, sugar, take the time  
'Cause the lights are shining bright  
You and I've got what it takes to make it

We won't fake it  
Oh, I'll never break it  
'Cause I can't take it

Little patience, yeah  
Need a little patience, yeah  
Just a little patience, yeah  
Some more patience, yeah

I've been walking the streets at night  
Just trying to get it right (Need some patience, yeah)  
It's hard to see with so many around  
You know, I don't like being stuck in the crowd (Could use some patience, yeah)  
ah)

And the streets don't change but, baby, the names  
I ain't got time for the game (Gotta have some patience, yeah)  
'Cause I need you, yeah  
Yeah, but I need you (All it takes is patience, yeah)

Oh, I need you (Just a little patience)  
Oh, I need you (Is all you need)  
Oh, this time
