

# All Fired Up

Slaughter

Give me full blown action  
Accelerate  
Got my adrenaline pumping  
It ain't never to late  
I want some wide open spaces  
Feeding on a mean streak  
Ya got me ready to cook, I'm ready to burn  
At break neck speed

You've got me all fired up  
Ya got me ready to burn  
Ooh yeah, feel the heat  
Ya got me all fired up

Got my motor running  
Ya got me under your spell  
Shooting rapid fire  
Like a bat outta hell  
It's spinning out of control  
In sudden ecstasy  
You've got me ready to cook-n-ready to burn  
Ready to burn for you

You've got me all fired up  
Ya got me ready to burn  
Ooh yeah, feel the heat  
Ya got me all fired up

Give me full blown action  
Accelerate  
Got my adrenaline pumping  
It ain't never to late  
You've got me ready to cook-n-ready to burn  
Ready to burn for you

You've got me all fired up  
Ya got me ready to burn  
Ooh yeah, feel the heat  
Ya got me all fired up
