Slave

Turn on those party lites

I told you they was jammin'!

Turn on those party lites tonight  
(Everyone is waiting)

No doubt about it  
Gonna scream and shout it  
We gonna turn your party lites on  
No doubt about it  
Gonna scream and shout it  
We gonna party while the night's young

We're gonna groove you  
Till your body  
We gonna groove you  
Till you follow suit

Turn on those party lites tonight  
(We're gonna escape till the dawn comes)  
Turn on those party lites tonight  
(Gonna turn your party lites on)

Don't worry 'bout it  
Gonna scream and shout it  
Come on and turn those party lites on  
No doubt about it  
Gonna scream and shout it  
We gonna party till the dawn comes  
What we gonna do?

We're gonna groove you  
Till you want to move  
We're gonna move you (groove)  
Till you want to groove

We're gonna party down tonight  
Party till the morning lights  
We're gonna drift and do a little slingin'
