Ow, mmm, mmm, mmm  
Click-click-click-click  
Make your body stop  
Strike a love that's so deep  
Make your body stop  
Turn your head this way, baby, I'm focused in on you  
And your sexy smile  
Turn a little, babe, left, blend into the light  
I'd like to do you perfectly right  
And I want to snap, out, you, strike a love that's so deep  
And I want to snap, out, you, 'Cause I like to move thee  
Click on over here, baby, the color of your face  
Expose your beauty and grace  
Ow, out, you, strike a love that's so deep  
Said I want to snap, out, you, yeah, hey, 'cause I like to move thee  
Come a little closer, got the total view  
Like to get and show to you  
Your jeans they fit so tight, the camera takes all of you  
In my darkroom turn out the light  
Said I want to snap, out, you, 'cause I like to move thee
