

Cavalry

Slaves on Dope

Back to the basics/ screwed on my head/ took a few years for my
self/ couldn't care less what they said/ walked out on the drea
m to look over the edge/ as blood fell from the sky/ all illusi
ons lied/ amuse the amazing/ two left but we're still winning/
I didn't start the war/ I never asked for this/ you couldn't br
eak me/ call the cavalry/ all your rivers run dry/ the fear of
failure, I can see it in your eyes/ call the cavalry/ your revo
lution has died/ saved all my aces/ just for this hand/ takes a
real man to admit/ when he's buried in the sand/ I'm fully awa
ke and prepared to withstand/ all the negativity is removed fro
m me/ questions with no reply/ it's ironic but I'm still satisf
ied
