

## Dear Enemies

Slaves on Dope

Take all the spite that you're saving up for me/ And make some room, 'cause you know you're gonna need it/ no one to blame for your failed attempts at life/ so long you fucking hypocrites/ Get out! Get out! Right now, just get out!/ Get out!/ Convince yourself that the world is after you/ and wonder why all that g litters ain't gold/ here's some advice, you better listen up/ p ack it in, 'cause I'm back in control/ you fucking sell outs, s ell out, you're done/ you sold out, sold out/ so long, so long, you're done, you sold out! Sold out!/ Dear enemies, accept you r defeat/ you've got nothing to gain and even less to lose/ com e clarity, revenge is sweet/ you might have started the war, bu t I will finish it/ each single move, it just seems s desperate / put on a face that your friends will recognize/ sink to new l ows, but it makes no difference/ I can see through you, you dir ty parasite/ Get out! Get out! Right now, just get out!/ GET OU T!!!/ It's gonna get worse before it gets better/ just like a d og that's all bark and no bite/ so long, so long, you're done, you sold out!/ Sold out!/ Dear enemies, accept your defeat/ you got nothing to gain and even less to lose/ come clarity, reven ge is sweet/ you might have started the war, but I will finish it...
