## Slaves

I was a side dish for her main prey  
I did not like this, yeah and he lives to say  
That when she left me I took it badly  
I was a right mess, you see I loved her madly  
I felt rejected and disrespected  
I thought I knew her, I stand corrected  
But now I'm lying here clueless as what to say  
'Cause now my pillow smells like her hairspray

Chokehold, chokehold (uh uh oh oh oh)  
Chokehold, chokehold (uh uh oh oh oh)  
So cold, you're so cold (uh uh oh oh oh)  
The way you turned on me

I preceded to self-medicate  
I was shame-faced and I was full of hate  
Two weeks later, that's when I saw her  
I was out of breath from treading water  
I was embarrassed, all my friends were there  
So I pretended that I didn't care  
But, honey, inside I was burning  
My hands were trembling, my stomach turning

Chokehold, chokehold (uh uh oh oh oh)  
Chokehold, chokehold (uh uh oh oh oh)  
So cold, you're so cold (uh uh oh oh oh)  
The way you turned on me

Why do you wanna hurt me?  
Left me out in the rain  
Now drunk on a night bus  
Meeting with an old flame  
Now washing my bedsheets  
Hanging them out to dry  
Just like you did to me  
I guess that this is goodbye, goodbye!

Chokehold, chokehold (uh uh oh oh oh)  
Chokehold, chokehold (uh uh oh oh oh)  
So cold, you're so cold (uh uh oh oh oh)  
The way you turned on me  
You got me in a chokehold, chokehold (uh uh oh oh oh)  
Chokehold, chokehold (uh uh oh oh oh)  
So cold, you're so cold (uh uh oh oh oh)  
The way you turned on me  
You got me in a chokehold  
Chokehold  
Chokehold
