

## John Wick

### Slaves

I tried to retire, then you set my house of fire  
And you killed my dog  
You killed my fucking dog  
I'm John Wick, bitch  
And I'm angry

Give me a pencil, give me a book  
You can get your fucking whole life took  
I'm John Wick, bitch  
And I'm angry

I'm John Wick, bitch  
I'm John Wick, bitch  
I'm John Wick, bitch  
And I'm angry

I don't need food  
I don't need rest  
I won't stop till there's none of you left  
I'm John Wick, bitch  
And I'm angry

John Wick 5, bitch, I'm still alive  
I'm a cockroach, man, the way I survive  
I'm John Wick, bitch  
And I'm angry

I'm John Wick, bitch  
I'm John Wick, bitch  
I'm John Wick, bitch  
And I'm angry
