

Photo Opportunity

Slaves

Hello, what are you trying to do to me?
This is not a photo opportunity
But if I say no, I'm sorry, I have somewhere to be
And I open myself up for scrutiny
No one wants that, do they? No

What shall we do?
What shall we do?

Metacognition got me hiding away
Now she has to leave, but I need her to stay
Go out with my friends and see nothing much changes 'round here
Now my pockets are full but the forecast is grey
What shall we do today?

What shall we do? What shall we do today?
What shall we do? What shall we do today?
What shall we do? What shall we do today?
What shall we do? What shall we do today?
(What are you trying to do to me?)
What shall we do?
(This is not a photo opportunity)
What shall we do today?
(Metacognition got me hiding away)
What shall we do?
(What shall we do today?)
What shall we do today?

Hello, what are you trying to do to me?
This is not a photo opportunity
