

Consume Or Be Consumed

Slaves

Coca-cola!

Consume or be consumed

I got the whole fucking scene on my dinner plate.
Try and imitate, intimidate and get incinerate.
And it's my job to shift and twist the fate
and innovate the views in this debate.
I'll make these weak guys disintegrate,
might have to go full steam on these little fakes.
Making moves while these Mickey takes are doing figure 8s.
Invigilator, check out my target then obliterate.
Lap these wise guys 5 times

Dinosaurs with tiger claws and minotaurs in lycra shorts,
that's what happens when I take the time to pause and write my thoughts.
I've tried to fight the force but I can't find the right support,
so I'll just forward a bomb of sea salt and snort a line of chalk.
Sometimes I'm online wanking over cyber pork,
other times I'm in your shower sniffing your conditioner.
Might take a psycho walk down a psycho path
Cut both my legs off

Out on a mini quest, something you've never seen before,
go on your chop off the dick of a minotaur.
News reports of stolen thoughts, getting caught,
day in court, out of sorts, take no shorts,
always quick to blame and fault
Now get your shit together, brother
Caught out with your junk up

Consume or be consumed
Consume or be consumed
Consume or be consumed
Consume or be consumed

You will consume
You'll eat what you are fed
Breath in the dirty air people
Take a bite
Open wide
EAT IT!
Take control
