## Slaves

No doubt I've done this to myself  
The more you know  
The more you know  
And I just can't quit if you couldn't tell  
I've seen it all  
I've seen it all  
And at night I beg myself to put this all to rest  
While I wrestle with these demons pressing on my chest

Am I a fake?  
Am I a fraud?  
And is it worth losing you for?  
Another pain  
I can't ignore  
Another morning on the floor  
I take the blame  
I wanna change  
But I can't settle the score  
Now I'm a slave to better days  
And I'm not willing anymore

I had a dream that I was drowning everyone I've ever loved

I'm feeling heavier despite my hollow soul  
I'm feeling anxious now, it's swallowing me whole  
And at night I beg myself to put this all to rest  
While I wrestle with these demons pressing on my chest

Cold water running down my face  
Just let it go  
Just let it go  
But there is no mending what I can't replace  
I should've known  
I should've known

Am I a fake?  
Am I a fraud?  
And am I worth losing you for?  
Now I'm gutted to the core  
Like I've never been before

I'm feeling heavier despite my hollow soul  
I'm feeling anxious now, it's swallowing me whole  
And at night I beg myself to put this all to rest  
While I wrestle with these demons pressing on my chest

Now it's sinking in  
Thick skin is wearing thin  
Out of my mind  
And it won't come as any surprise  
And I've paid for it this time

I'm feeling heavier despite my hollow soul  
I'm feeling anxious now, it's swallowing me whole  
And at night I beg myself to put this all to rest  
While I wrestle with these demons pressing on my chest

I'm feeling  
I'm feeling  
I'm feeling heavier  
I'm feeling  
I'm feeling  
I'm feeling heavier
