

# Neverbloom

## Slaves

I'm done learning these lessons  
Why is life so cruel?  
People calling me reckless  
What would they say about you?  
Left all of these questions  
When you left too soon  
There's nothing that I wouldn't do  
I'm running too wild without you

Now I'm fading to black  
A knife in the back  
Left me alone  
Nowhere to go

Tell me the reason  
I don't believe it  
Don't know where to lay the blame  
Try to be so strong  
Look at me choke on  
Words I never got to say

All the moments that I wish I could show you  
Oh, I hope I made you proud even though you'll  
Never see my flowers bloom bloom bloom  
Bloom bloom bloom

Don't wanna make a sad song into your legacy  
Using the same four chords and stock melodies  
The only way I know how to say what you meant to me  
Swallow the pain, I'm getting drunk on a memory

Counting my blessings  
Cause the world keeps score  
I'm done learning these lessons  
I can't take anymore

Tell me the reason  
I don't believe it  
Don't know where to lay the blame  
Try to be so strong  
Look at me choke on  
Words I never got to say

All the moments that I wish I could show you  
Oh, I hope I made you proud even though you'll  
Never see my flowers bloom bloom bloom  
(Never see my flowers)  
Bloom bloom bloom

(Never see my flowers)

A heart broke in two  
It's sad but it's true  
I'm learning to live without you

Tell me the reason  
I don't believe it

Don't know where to lay the blame  
Try to be so strong  
Look at me choke on  
Words I never got to say

All the moments that I wish I could show you  
Oh, I hope I made you proud even though you'll  
Never see my flowers bloom bloom bloom  
(Never see my flowers)  
Bloom bloom bloom
