

## Petty Trappin'

Slaves

I've heard everything you're saying  
Makes no difference to me  
I am only getting better  
Save your pity

You left the topic  
You wish that I quit  
Deep down you know you'll never be me  
You're wasting your time  
You're wasting your energy

You say I'm everything you despise  
Everything you don't like  
Open my eyes to see yours fixated on mine  
Everything you despise  
Everything you don't like  
Open my eyes to see yours fixated on mine

I'll stare right here in my only  
Doing what I need to do  
Giving concern to who will come and go and need me most

Ain't nobody doing me like that  
Don't go saying shit you can't take back  
I don't know. It's perfect, I agree  
I'm working on it, trust me

You left the topic  
You wish that I quit  
Deep down you know you'll never be me  
You're wasting your time  
You're wasting your energy

You say I'm everything you despise  
Everything you don't like  
Open my eyes to see yours fixated on mine  
Everything you despise  
Everything you don't like  
Open my eyes to see yours fixated on mine

You think you're clever  
Saying words under your breath, yeah  
It gives me pleasure  
Knowing you never could do just what I do  
Only getting stronger now  
Holding me, gone  
No time for you to put me down  
Your move, I'm done

You say everything you despise  
I'm everything you don't like  
I'm everything you don't like

You say I'm everything you despise  
Everything you don't like  
Open my eyes to see yours fixated on mine  
Everything you despise

Everything you don't like  
Open my eyes to see yours fixated on mine

You say I'm everything you despise  
Everything you don't like  
Open my eyes to see yours fixated on mine  
Everything you despise  
Everything you don't like  
Open my eyes to see yours fixated on mine
